### **Issuance of Reverse Yankee Bonds remains active**

The sale of Reverse Yankee bonds by prominent US issuers – often with higher credit ratings – has recently continued at a rapid pace. Reverse Yankee bonds are debt securities issued by US issuers that are denominated in a foreign currency, frequently in euros or sterling. The Reverse Yankee bond market offers US issuers additional ways of obtaining debt financing on favourable terms. Prominent US companies that have tapped the Reverse Yankee bond market in 2023 and year-to-date 2024 include Honeywell International, Becton, Dickinson and Company, AT&T, Proctor & Gamble, Paccar, Caterpillar, insurance companies New York Life and Pacific Life and automobile makers Ford Motor, American Honda and Toyota Motor Credit Corp.

### **Fair's fair: the concept of fairness in Part 26A Restructuring Plans**

Is there now an established test of fairness for the sanction of a Part 26A Restructuring Plan? In *Re Virgin Active* [2021] EWHC 1246 (Ch) at [219]-[221], the Court was quick to dismiss the idea despite remarks to the contrary included within the Explanatory Notes to the Corporate Insolvency and Governance Act 2020 (“CIGA 2020”). However, subsequent Part 26A cases have demonstrated that the Court will weigh in on the fairness of a Plan prior to sanction and is prepared to test Plan proponents in the interests of those being compromised. The general approach and level of scrutiny applied to the question of fairness by the Court tends to differ from case to

case, often depending upon the level of challenge posed by Plan creditors, and is not confined to a consideration of such matters only within the context of cross-class cram down under section 901G Companies Act 2006 (“CA 2006”). Particularly in light ...
